

For years, Irish and Australian professionals across the country have been raising funds for amazing causes here and in Ireland. By signing up to become a Young Leader or a Benefactor, or by simply attending our fundraising events you too can join a tradition of Irish Australians who want to share their success.

Spotlight on our causes:

SOAR

Inspired by Jim Stynes' Reach Foundation in Melbourne, Soar believes that there is greatness within all young people. The foundation delivers early intervention-preventative, wellness workshops for young people aged 12 – 18 years from all backgrounds. With programs that aim to help young people fulfil their true potential. Soar has worked with more than 30,000 young people in Ireland since 2012.

IRISH MEN'S SHEDS ASSOCIATION

Shoulder to shoulder, the Irish Men's Sheds Association is improving the health and well-being of men across Ireland. Originally an Australian initiative, Men's Sheds creates a community space for men of all ages to gather in a safe, friendly environment where they can work on interesting projects. An estimated 10,000 men use Men's Sheds each week across the country.

SPONSORSHIP OPPORTUNITIES

We organise a range of in-person and virtual fundraising events each year. We are always on the look out for sponsors to help reduce our event running costs and maximise the amount we can get to our causes. If you think there is an opportunity for your organisation to help us, please reach out to us.
